

NASA Explorer Schools

Student Symposium Guidelines

Student Expectations and Responsibilities

- Students are expected to participate in ALL activities during the student symposium.
- Students are expected to conduct themselves as student ambassadors at all times. NASA has high expectations for employees as well as all visitors who are on-site.
- Students should dress in "business casual" clothing while at Kennedy Space Center.
 - East Florida can be hot and humid. Bring cool, loose-fitting clothing.
 - Boys: clean polo or button-down shirts with jeans or long pants, no shorts.
 - Girls: clean polo or blouse with jeans or long pants, no shorts or skirts.
 - For safety reasons, students must wear closed-toe shoes. Athletic shoes are OK.
 - Clothing with large visible logos or brand names is not acceptable. However, small logos associated with business clothing, or school approved logos are permitted.

Security

The following items are not permitted at any time during the Student Symposium:

- Fire arms of any type (with or without a permit) or toys that look like a fire arm
- Ammunition (live or spent)
- Pepper/mace sprays
- Knives of any size
- Box cutters or like items
- Nail clippers with knife blades
- Any other sharp/pointed items, including pointed scissors or nail files
- Other items specified by the school

Additionally

- Coolers, luggage or other large bags must remain at the hotel as they are not permitted at the Kennedy Space Center, unless needed for medical reasons.
- At the Kennedy Space Center, all bags, purses and other items will be opened and inspected by the security guards. (Procedures to search all bags carried into the complex by visitors & employees are actions taken as part of the general increase in security and not part of a specific threat to our facilities.)
- No outside food items are permitted at Kennedy Space Center.

What else to bring

- Shorts, a bathing suit, other casual clothing for non-scheduled time. Do not bring any clothing that advertises or displays anything illegal, drugs, alcohol, or tobacco products.
- A light jacket, long sleeve shirt, or sweat shirt may be useful if the evenings get cool.
- If you want to purchase souvenirs at the gift shop, you will need money.
- You may bring a camera, Photography is permitted, but there are some restrictions on what you may or may not photograph while at Kennedy Space Center.

NOTES

- Prior to and following the NASA Explorer Schools (NES) student symposium, a press release may be sent to your local newspaper and/or TV station. You will receive a copy of the press release.
- Due to limited accommodations and security restrictions, no family members are allowed at the student symposium.
